Below is a list of items to be addressed. Please include all information when applying for a permit, along with your plot plan.

- Size of tent or canopy.
- Location of all automotive equipment.
- Flame certificate of fire-resistive treatment must accompany the application and be posted on site.
- Location of "No Smoking" signs shown on plan. (No open flame inside tent structure.)
- Location of fire extinguishers (extinguishers not to be taped to pole.)
- Illuminated exit signs are required at every exit (show location on plans.)
- Seating or display arrangement plan showing width of aisles to be furnished.
- Flame retardant certificate required for any floor covering used.
- Provide Fire Department with copy of electrical permit.
- An unobstructed passageway or fire road (not less than 12 feet in width and free from guy ropes or other obstructions) shall be maintained on all sides of tent structure.
- All heating and cooking equipment must be approved for use by this department.
