RE: Weed Abatement Bid for 2018 & 2019

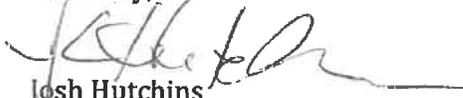

To Whom It May Concern:

March 28, 2018

I will mow the designated weeds and grass in accordance to Fire Department specifications for \$150/hour for 2018 & 2019.

The tractor runs the mower in the front so weeds are mowed before tractor crosses the weeds. The down pressure of the tractor is very minimal so no damage to the soil below will occur.

Sincerely,

Josh Hutchins
